MARKING TOOLS

Making marks on cloth can be important when doing sashiko. Clover tools make marks that are not permanent, allowing you to stitch a design without concern for stray marks left.

Clover Hera Marker

#CL490
MSRP \$6.00

Put-up: 3 units

- Marks & creases in one step
- Comfortable hand grip
- Hole for peg or ribbon storage

Clover Hera Marker Slim

#CL-4002
MSRP \$6.50

Put-up: 3 units

- Marks & creases in one step
- Slimmer, more delicate size
- Useful for applique
- Thin end functions as blunt stiletto

Clover Chacopy Paper, 5 sheets

#CL-434
MSRP \$6.25

Put-up: 3 units

- Specialty carbon paper for tracing designs on fabric
- 5 sheets, 10x12 in
- Red, blue, green, white, yellow traces on most fabrics
- Marks wash away with water

Clover White Marking Pen

#CL517
MSRP \$6.75

Put-up: 3 units

- Fine tip marks even on coarse fabrics
- White color works well on dark fabrics
- Becomes more visible as it dries
- Marks disappear with water or ironing
